

How to:

Make a Ballet Bun

You Will Need:

Brush/comb, hair tie, bobby pins, hair pins, hair net, hair spray.

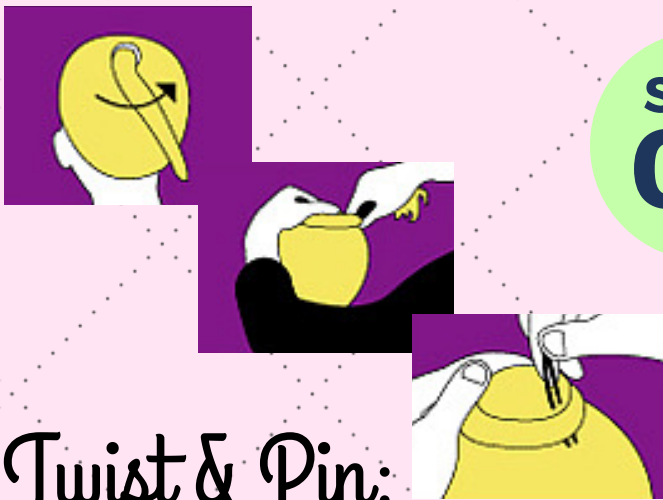

STEP
01

Make a Ponytail:

Smooth all hair back and gather into ponytail at the back of the head, secure with hair tie. For baby fine hair, it's best to do while hair is damp.

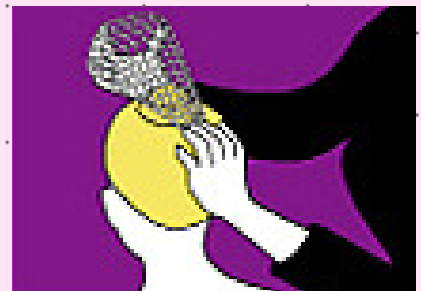

STEP
02

Twist & Pin:

Twist sections of hair around base of ponytail, pinning as you go. A true ballet bun should be as flat against the head as possible.

STEP
03

Cover with Hairnet:

Cover bun with hairnet, twist and double if needed. Wrap excess around base of bun and pin securely.

STEP
04

Spray & Finish:

Pin back any short or flyaway hair around hairline. Spray liberally with hairspray.
